Enrollment in Nursing Courses
Admission to the University does not guarantee enrollment in nursing courses. Selection for enrollment in nursing courses is on a competitive basis for available spaces. Students must meet the minimum criteria to be considered for selection for enrollment in nursing courses:

1. Admission to the University and submission of all official transcripts to the Office of the Registrar on the Natchitoches Campus.

2. A cumulative grade point average of 2.0 or above.

3. A minimum grade of "C" in all required biology, chemistry, math and nursing courses.

4. Completion of the first three semesters of the curriculum pattern.

5. Minimum grade point average of 2.7 in general academic courses completed that are required for degree excluding electives.

6. Completion of required entrance exams for Nursing.

7. Completion of an Application to Enroll in Nursing Courses Form including:
   a. Copy of scores on required entrance exams for Nursing.
   b. Verification of Licensure as a health care provider (if applicable).
   c. Response to any Request for Waiver of Policy (if applicable).
   d. Final order of the Louisiana State Board of Nursing (if applicable).

8. Completion of required criteria and submission of completed Application to Enroll in Clinical Nursing Courses in the Office of the ASN Program Director OR BSN Program Director by CERTIFIED MAIL no later than the following deadlines:
   a. Fall enrollment – May 31.
   b. Spring enrollment – August 31.

9. An application to enroll in nursing courses is valid for only one semester.

10. No application to enroll in nursing courses will be accepted after the designated deadlines!
